

AVCASA WASTE MANAGEMENT PROGRAMME

AVCASA AFVAL BESTUURSPROGRAM

REQUIREMENTS FOR PLASTIC RECYCLERS AND COLLECTORS TO BE ELIGIBLE FOR AVCASA APPROVAL VEREISTES VIR PLASTIEKVERWERKERS EN VERSAMELAARS OM VIR AVCASA GOEDKEURING TE KWALIFISEER

	REQUIREMENTS	VEREISTES
1	A plastic recycler must be registered as a plastic recycler or an application must have been submitted for plastic recycling.	'n Plastiekverwerker moet as sulks geregistreer wees of 'n aansoek om registrasie moet alreeds ingedien wees.
2	A plastic recycler must have secure premises where the plastic containers are kept but it may not be held in storage for longer than three months before being processed.	'n Plastiekverwerker moet 'n beveiligde perseel hê waar die plastiekdromme geberg word en dit mag nie vir langer as drie maande onwerwerk op sodanige perseel lê nie.
3	Plastic containers must be cleaned thoroughly and rinse water must be kept safely for safe disposal by a registered hazardous waste management company. Rinse water may not be disposed of in natural water bodies or municipal sewerage systems.	Plastiekhouders moet deeglik skoongemaak word en waswater moet veilig geberg word vir veilige wegdoening deur 'n geregistreerde gevaarlike afvalstowwe maatskappy. Geen waswater mag in natuurlike waterbronne or munisipale rioleringstelsels gestort word nie.
4	Only triple rinsed empty plastic containers may be accepted, collected, transported and processed.	Slegs drie keer gespoelde leë houders mag aanvaar, gekollekteer, vervoer en verwerk word.
5	No triple rinsed empty plastic containers may be sold or supplied to other parties as containers for any other use.	Geen drie keer gespoelde houders mag aan ander partye verskaf or verkoop word as houders vir enige ander doeleindes nie.
6	A plastic recycler/collector must have at least one contact person available on a landline or mobile phone plus an e-mail address through which they may be contacted.	'n Plastiekverwerker/insamelaar moet ten minste een kontakpersoon met 'n landlyn of mobiele telefoon plus e-pos adres hê waardeur hulle gekontak kan word.
7	A plastic recycler/collector must have a proven track record. References from clients may be valuable when approaching AVCASA for approval.	'n Plastiekverwerker/insamelaar moet 'n bewese rekord hê. Verwysings van kliënte mag waardevol wees wanneer om AVCASA goedkeuring aansoek gedoen word.

AVCASA BEHOU DIE REG VOOR OM ENIGE PLASTIEKVERWERKER/INSAMELAAR WAT OM GOEDKEURING AANSOEK DOEN, SE DIENSREKORD EN VOLDOENING AAN VEREISTES NA TE GAAN.

September 2017

AVCASA RESERVES THE RIGHT TO CHECK THE SERVICE RECORD AND COMPLIANCE OF ANY PLASTIC RECYCLER/COLLECTOR THAT APPLIES FOR APPROVAL.
