

**CONTAINER MANAGEMENT STATEMENTS FOR  
LABELS OF AGRICULTURAL REMEDIES  
MARCH 2019**

# Statement under “precautions” on the labels of plastic pesticide containers used for liquid and flowable pesticides

**TRIPLE RINSE THE EMPTY CONTAINER AS FOLLOWS:** Invert the empty container over the spray or mixing tank and drain for at least 30 seconds after the flow has slowed down to dripping. Thereafter rinse the empty container *three times in succession* with one quarter of the container volume fresh water and decant the rinsate into the spray or mixing tank. Puncture the triple rinsed container and dispose of *via* an approved collector or recycler ([www.croplife.co.za](http://www.croplife.co.za)). Do not bury, burn or donate the container to any other parties that may use it as a container for food or beverages.

**SPOEL LEË HOUER DRIE KEER AS VOLG:** Keer die leë houer oor die spuit- of mengtenk om en dreineer vir minstens 30 sekondes nadat die vloei tot 'n gedrup verminder het. Spoel daarna die leë houer *drie keer* na mekaar met een kwart van die houervolume vars water en giet die spoelwater in die spuittenk of mengtenk oor. Kap gate in die drie-keer gespoelde houer waarna dit aan 'n goedgekeurde versamelaar of verwerker oorhandig moet word ([www.croplife.co.za](http://www.croplife.co.za)). Moet nie die houer begrawe, verbrand of aan enige ander partye skenk wat dit as houer vir voedsel of drinkgoed mag gebruik nie.

# Statement under “precautions” on the labels of woven polypropylene plastic pesticide bags

**CLEAN THE EMPTY PLASTIC BAG AS FOLLOWS:** Turn the bag inside out. Hold the bag over the spray or mixing tank and rinse the bag with running water for thirty seconds. Shake the rinsate off into the tank. Repeat the rinsing twice. Cut the bag into pieces and dispose of *via* an approved collector or recycler ([www.croplife.co.za](http://www.croplife.co.za)). Do not bury, burn or donate the bag to any other parties that may use it as container for foodstuffs.

**MAAK DIE LEË PLASTIEKSAK AS VOLG SKOON:** Dop die sak se binnekant na buite uit. Hou die sak oor die spuit- of mengtenk en spoel die sak vir dertig sekondes met lopende water. Skud die spoelwater in die tenk af. Spoel nog twee keer. Sny die sak in stukke en oorhandig dit aan 'n goedgekeurde versamelaar of verwerker ([www.croplife.co.za](http://www.croplife.co.za)). Moet nie die sak begrawe, verbrand of aan enige ander partye skenk wat dit as houer vir voedsel mag gebruik nie.

# Statement under “precautions” on the labels of foil lined pesticide bags

**CLEAN THE EMPTY FOIL LINED BAG AS FOLLOWS:** Shake all the pesticide formulation out of the bag into the spray or mixing tank. Turn the bag inside out. Hold the bag over the spray or mixing tank and rinse the bag with running water for thirty seconds. Shake the rinsate off into the tank. Repeat the rinsing twice. Cut the bag into pieces and dispose of *via* normal refuse disposal. Do not bury, burn or donate the bag to any other parties that may use it as a container for foodstuffs.

**MAAK DIE LEË FOELIE-BELYNDE SAK AS VOLG SKOON:** Skud al die plaagdoderformulasie uit die sak in die spuit- of mengtenk. Dop die sak se binnekant na buite uit. Hou die sak oor die spuit- of mengtenk en spoel die sak vir dertig sekondes met lopende water. Skud die spoelwater in die tenk af. Spoel nog twee keer. Sny die sak in stukke en gooi weg volgens normale afvalverwerking. Moet nie die sak begrawe, verbrand of aan enige ander partye skenk wat dit as houer vir voedsel mag gebruik nie.

# Statement under “precautions” on the labels of paper pesticide bags or cardboard pesticide boxes

**CLEAN THE EMPTY PAPER BAG OR CARDBOARD CONTAINER AS FOLLOWS:** Shake all the pesticide formulation out of the bag or box into the spray or mixing tank. Turn the bag or box inside out. Hold the bag or box over the spray or mixing tank and rinse the bag or box with running water for thirty seconds. Shake the rinsate off into the tank. Repeat the rinsing twice. Cut the bag or box into pieces and dispose of *via* normal refuse disposal. Do not bury, burn or donate the bag or box to any other parties that may use it as container for food stuffs.

**MAAK DIE LEË PAPIERSAK OF KARTONDOOS AS VOLG SKOON:** Skud al die plaagdoderformulasie uit die sak of kartondoos in die spuit- of mengtenk. Dop die sak of kartondoos se binnekant na buite uit. Hou die sak of kartondoos oor die spuit- of mengtenk en spoel vir dertig sekondes met lopende water. Skud die spoelwater in die tenk af. Spoel nog twee keer. Sny die sak of kartondoos in stukke en gooi weg volgens normale afvalverwerking. Moet nie die sak begrawe, verbrand of aan enige ander partye skenk wat dit as houer vir voedsel mag gebruik nie.

# Statement under “precautions” on the labels of aluminium pesticide containers for phosphides

**CLEAN THE EMPTY ALUMINIUM CONTAINER:** Once all the pesticide formulation is decanted from the container, leave the cap off and place in a secure spot for at least 24 hours to aerate. Thereafter the container should be submerged in a large bucket of cold water and left standing for one hour. Remove the container, shake out all the water and allow it to dry in the sun. Puncture or flatten the container and dispose of it *via* an aluminium recycler. Do not bury, burn or donate the container to any other parties that may use the container for foodstuffs or beverages.

**MAAK DIE LEË ALUMINIUM HOUER SKOON:** Sodra al die plaagdoderformulasie uit die houer gegiet is, verwyder die prop en plaas die houer in 'n veilige plek vir ten minste 24 uur om te belug. Dompel die houer daarna in 'n groot emmer koue water en laat staan vir een uur. Verwyder die houer, skud al die water uit en laat dit droog word in die son. Kap gate in die houer of kap dit plat en oorhandig dit aan 'n aluminiumverwerker. Moet nie die houer begrawe, verbrand of aan enige ander partye skenk wat die houer vir voedsel of drinkgoed mag gebruik nie.
